

produced in the Philippines when she was applying for the said job in Saipan. During the interview with Katrina it was in fact learned that she wanted to do nude dancing, and her mother encouraged her to do so to support her family."

The CNMI official report also stated: "The allegation that one of the club owners worked for the CNMI government is untrue. It should be noted that all the club employees and its owners are Philippine citizens. The Northern Marianas could have filed charges against the owner, as well as have both owners and complainant charged with immigration fraud. The CNMI DoL did not take further action after having been informed by U.S. Government officials that they themselves would prosecute the owners under further child labor law." I am told that the CNMI government will file charges after the Federal case is completed depending on its outcome.

I intend to seek further information on matters as reported by the Reader's Digest author—and I would hope that a fair minded person like Congressman ABERCROMBIE would accompany me early next year if, and when, we can both work a visit into our schedule—a visit that would not involve the expenditure of any American tax dollars. He has indicated that he will check his schedule and be open to full information.

I have high regard for the CNMI officials. Saipan, and the rest of the CNMI, are very important to the United States, and are very loyal to the United States and very strategic to the United States. We should support their entire leadership, and help them to address the problems set out in the Reader's Digest article. They are entitled to accurate and verified reporting—and a chance to correct any such tragedies as reflected by the "Katrina" story—true or untrue.

#### HONORING PASADENA-BAY AREA JUNIOR FORUM

#### HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 13, 1997*

Mr. BENTSEN. Mr. Speaker, I rise to honor the members of the Pasadena-Bay Area Junior Forum for the many contributions they have made to our community, especially to helping disabled people in East Harris County, TX. I am pleased to join the city of Pasadena as they pay tribute to the Forum on November 25, 1997, at an event appropriately themed "Goals Through Challenge."

The Pasadena-Bay Area Junior Forum was organized in 1961 to promote greater interest among women in civic, educational, and philanthropic fields. While forum members have provided volunteer work and financial support for many community activities, from schools to nursing homes, over the years they have come to focus on helping disabled people make the most of their lives. Forum members have devoted more than 33,000 hours to serving mentally and physically disabled individuals in our community.

In their very first year, forum members volunteered in special education classes for mentally retarded children. The next year, they helped to develop the opportunity center, which provided classes for mentally retarded

children unable to attend public schools. In 1971, the forum purchased an acre of land with the dream of building an education center for the mentally retarded, and on August 21, 1979, the dream became a reality with the formal dedication of the Pasadena Junior Forum, Inc., Education Center. In 1980, a country store was established at the education center with a workshop to provide incentives for learning and development. In 1986, the Forum received a U.S. Department of Housing and Urban Development grant to build two residential facilities for mentally retarded adults, which were opened in 1988 under the name "Wichita Cottages, Inc." Through these various efforts, the forum is providing independent living training that gives individuals the tools they need to reach their full potential. Through their devoted service, the women of the Pasadena-Bay Area Junior Forum have made a tremendous impact in the lives of disabled people throughout our community.

Today, the Pasadena-Bay Area Junior Forum continues to serve the community in a variety of ways. They have provided support for many community projects, including Texas Special Olympics, puppet presentations to educate children about disabilities, scholarships to San Jacinto College, and sponsoring and volunteering in programs at the city of Pasadena Multipurpose Recreation Center, where the November 25 tribute will be held.

Because of the creativity, caring, and hard work of its members, the Pasadena-Bay Area Junior Forum has grown in significance over the years. Each member of the PBAJF understands the importance of community, that it thrives on involvement and starves from apathy. They understand that it is our government, our schools, our churches, and our neighborhoods we make better when we take the time to get involved. They understand that, when we take an hour, a day, or a week to give back to our communities, the effects are felt for much longer.

I commend the good work of the Pasadena-Bay Area Junior Forum and their efforts to make a difference in the lives of disabled people and many others in our community. They are examples for all of us.

#### TRIBUTE TO AMERICAN AIRLINES

#### HON. SONNY BONO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 13, 1997*

Mr. BONO. Mr. Speaker, I rise to recognize a great partnership that has lasted for 30 years. The partnership between America's premier desert resort community and one of America's premier transportation companies—American Airlines. As a longtime resident of Palm Springs, I was blessed with the opportunity to serve as mayor, and now am Palm Springs' Federal representative in Washington, DC. During my time in office, I have tried to help build the opportunities for people to advance themselves, build economic growth, and to develop our desert community. During this time, one of the most important partners in this effort was American Airlines, and thus I ask my colleagues to join me in saluting American.

For 30 years, American has proven itself as a valuable member of our community, good

corporate citizen, and important economic partner. Its presence at Palm Springs has grown into a year-round service linking the desert communities with hundreds of cities throughout the U.S. and around the globe. Local tourism and business have benefited greatly. In turn, we have grown our own oasis out of a desert.

Palm Springs is fortunate and proud to have American Airlines air service, and we congratulate American for assisting Palm Springs and the desert community grow into the exciting destination it is for a healthy vacation and business environment. This milestone is important and I ask you not to celebrate it for merely the service that we have enjoyed but also for the limitless opportunities it promises for the future of our desert communities.

#### TRIBUTE TO ERA REAL ESTATE FOR EXCELLENCE IN COMMUNITY SERVICE

#### HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Thursday, November 13, 1997*

Mr. FRELINGHUYSEN. Mr. Speaker, today I rise to pay tribute to the ERA Real Estate brokers, agents and staff members across the country who have dedicated their time and energy to the Muscular Dystrophy Association for twenty years.

With its headquarters in my home state of New Jersey, ERA Real Estate, and its parent company HFS Inc., has truly made a difference in the lives of Jerry's Kids. Since 1977, ERA has been the sole corporate sponsor of MDA from the real estate industry. According to MDA National Chairman Jerry Lewis: "ERA brokers and other caring individuals are the reason MDA is making rapid progress toward treatments and cures for 40 neuromuscular diseases. I'm proud to have ERA on our team."

ERA Real Estate founder and then President Jim Jackson chose MDA because of its commitment to the people it served. In 1978, ERA created its first national fundraising event, "MDA Day in May," and challenged all ERA offices to do something for MDA on the same day. This tradition continues and, each year, ERA offices gather to support MDA during May. To help people with neuromuscular diseases, ERA members have raised nearly \$25 million to send hundreds of children and adults to MDA summer camps, provide leg braces and wheelchair assistance, and help fund the research that found the genes that cause the two most severe forms of childhood dystrophy.

Through its commitment to community, ERA and its brokers and agents, have demonstrated there is more to real estate than buying and selling homes. Building community is what ERA has been doing for 25 years, and by supporting MDA, ERA is using the strength of those communities to fight against neuromuscular disease. However, ERA's relationship with MDA goes beyond raising money to support the organization. It is about helping children and adults with neuromuscular diseases who need a little extra time, energy and support from others. Together, MDA and corporations like ERA help "Jerry's Kids" live longer, more productive lives.
